

## **EXPERIENCED MECHANIC REQUIRED FOR IMMEDIATE START**

We have a large fleet of company vehicles (approx. 80) including diesels, mainly BMW, Mercedes-Benz, Audi, Vauxhall and Toyota vehicles. The successful candidate must be experienced with these vehicles and be ready to hit the ground running to keeping them on the road.

### **THE ROLE**

We're looking for a confident and experienced mechanic to cover all aspects of the servicing and repair side of our business - diagnostics, servicing, tyres, exhausts, clutches, general repairs, gearboxes, engine replacements etc.

### **THE PERSON**

To be considered for this role, you must have:

- \* Experience in all aspects of servicing and vehicle repairs (including engine changes, exhausts, clutches etc.)
- \* Experienced with vehicle diagnostics (we use Bosch)
- \* Punctuality, flexibility and a positive approach
- \* Able to work on your own initiative and as part of a team
- \* A full UK driving licence is essential

this position offers a competitive salary package for the right candidate.

### **HOW TO APPLY**

To apply for this role simply send your CV via email outlining your previous experience and skill set
